

Patient Participation Group

Updated - December 2017

There are currently 97 members of the group.

The group is made up of a mix of patients who visit the surgery regularly, occasionally and very rarely. The group includes

- Carers
- Older people
- People with long-term conditions
- Mothers with babies and children
- Young people
- The working age population and those recently retired
- People in vulnerable circumstances who may have poor access to primary care
- People experiencing a mental health problem
